School Improvement Continues *Building Unavailable from Friday, November 20th - Sunday, November 29th*

We are very excited about some important work that will take place in our building from 11/20 - 11/29. Over the

Thanksgiving break the lower end doors and windows will be replaced with safer and more energy efficient materials. We will also be switching two classrooms at the same time. Because of this the building will be unavailable for use during this short period of time as we complete the work. Thank you in advance for your patience and understanding!
